

Project title

Call for applications
Letter of intent

Name of the coordinator	
Specialty	
Unit or Department	
Name and address of the hospital/institution	
Phone number	
E-mail	
Medical Oncologist, Postgraduated School in Medical Oncology, Phd Oncology	
AIOM member	Yes <input type="checkbox"/> No <input type="checkbox"/> (Non-members are eligible for the application only if they have applied for AIOM membership before the deadline of this project application).

Level of funding required (Euros)	
-----------------------------------	--

Name of the methodologist (if any)	Click here to enter text
Name and address of the hospital	Click here to enter text
Phone number	Click here to enter text
E-mail	Click here to enter text

Anticipated number of recruiting centers (approximate)	
---	--

References
<i>List of the main publications from literature (5 maximum) justifying the project in the national and international context</i>

Rationale (max 500 words)

--

Originality and innovative aspects (max 500 words)

--

Main objective (max 500 words)

--

Secondary objectives (max 500 words)

--

Primary end point

--

Secondary end points

--

Study population (max 1000 words)
--

--

Design

Systematic reviews - Meta analysis Yes No

Randomized clinical trial Yes No

if yes: Open Single blind Double blind

Non randomized trial

Prospective cohort study Case-control study Cross-sectional study

Retrospective cohort Administrative / hospital inpatient database research

Modelisation Case series Pure preclinical studies Others

Please detail:

--

Duration (the maximum duration is 3 years)
Study design and statistical analysis (max 1000 words)
Total number of scheduled patients / observations to be recruited (if any)

Participation of a research network (if any)
Others aspects to insure the feasibility of the project (max 500 words)
Expected patient or public health benefit (max 500 words)
